No. 253. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department, dated St. Thomas' Mount, 19th September 1878, No. 3,428.

I HAVE the honor to forward, herewith, copy of a letter, No. 1,086, dated 9th instant, received from Mr. J. E. Paul, Assistant Engineer in charge of No. 1 Range, requesting that sanction may be obtained to the charges incurred by him on account of the conveyance of his horses

and tents from Bellary to this district by rail.

2. Under Rule VIII, paragraph 1, Section III, Chapter IV, of the Public Works Code, the Examiner has declined (*vide* Disallowance List enclosed to be returned) to pass the charges without the special sanction of Government. As Mr. Paul was posted to this district at a time when any delay in his being ready equipped would have been attended with considerable inconvenience, which has been avoided by his having brought his horses and tents with him by rail, I would recommend that the Examiner be authorised to admit the claim as a special case.

From J. E. PAUL, Esq., Assistant Engineer, Sirulur Division, Chingleput District, to the Superintending Engineer, Chingleput District, dated Kamputhur, 9th September 1878, No. 1,086.

In forwarding this Disallowance List No. 255 G of 1877-78, I have the honor to request you will make the necessary application to Government. I was ordered to take full camp equipage to Bellary in November 1876, and served in that district up to February 1878, when I was permitted to leave the district on account of my continually suffering from fever.

No. 254. ORDER THEREON, 23rd September 1878, No. 3,735 W.
