GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

24th September 1878, No. 3,747 W.

General.  
Account.

Read the following paper:—

No. 269. From J. W. RUNDALL, Esq., District Engineer, Bellary, to the Chief Engineer, Public Works Department (through the Examiner of Public Works Accounts) dated Bellary, 6th September 1878, No. 2,376.

I HAVE the honor to bring to your notice that there is a considerable quantity of timber lying in the store-yard of the Bellary Range, most of which is of small scantling and not likely to work up in the construction of any buildings.

2. Endeavors have been made during several years past to utilise this timber, but without success. It seems to me therefore it would be better to sell it off in small lots by auction. The book value of the wood is Rupees 2,046-14-3. Besides the wood there are thirty-two ventilators valued at Rupees 224.

3. This timber forms the balance of the wood which was on hand when G.O. No. 2,119 of the 6th September 1872 was passed and is detailed in Statement A attached thereto.

4. It seems to me that the wood should have been brought into the Range Books as stock, but this was not done, though the accounts have been kept up in the range. There will therefore be no loss to be written off, but the proceeds will be credited to sale of old materials.

5. As however the actual loss may amount to upwards of Rupees 500, I beg to apply under G.O. No. 243 of 27th January 1875 for sanction for the sale.

No. 269-A. From the Examiner of Public Works Accounts, dated 6th September 1878, No. E. 229 B.L.

No. 270. ORDER THEREON, 24th September 1878, No. 3,747 W.

THE sale of the timber is sanctioned.
