GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

2nd October 1878, No. 3,835 W.

General.
Establishment.

Read the following papers :—

No. 3. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 5th July 1878, No. 119 W.

I HAVE the honor to forward for the information and orders of Government a printed copy of a letter, No. 606 R, dated Simla, 11th June 1878, from the Accountant-General, Public Works Department, to the address of the Examiner of Public Works Accounts, Bengal, which was received by me from the Examiner of Railway Accounts, Madras, in support of a charge of Rupees 1,700 made by that officer in his salary bill for June 1878 on account of the proportion of payments made during 1877-78 to Major T. F. Dowden, R.E., on special duty in connection with revision of forms of statistical returns for Indian Railways.

2. I have provisionally admitted this charge pending a reference to you on the subject, and I shall now feel obliged by your informing me whether the amount can be finally passed as a charge against the State outlay on Guaranteed Railways in the Madras Presidency for 1877-78.

3. Kindly return enclosure when done with.

No. 3-A. From the same Officer, dated Chepauk, 22nd August 1878, No. 248 W.

In reply to your letter No. 3,414, dated 2nd August, I have the honor to observe that at present no instructions have been received from the Government of India on the subject. The instructions received are from the Accountant-General, Public Works Department.

2. I am aware that the point raised in my letter, No. 119 W, of the 5th July 1877, is merely a formal one, and that it may be taken for granted that the instructions of the Accountant-General were issued with the approval of the Government of India; but, as the rules stand, I have to look to this Government and not to the Accountant-General, Public Works Department, for all sanctions, and I conceive that this sanction should have been communicated to me from the Government of India through the local Government in ordinary course. To draw attention to this departure from the prescribed procedure was the object of my letter.

No. 3-B. Note by the Examiner of Public Works Accounts, dated 26th July 1878.

No. 4. ORDER THEREON, 2nd October 1878, No. 3,835 W.

The Examiner is authorised to admit the charge.
