GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

2nd October 1878, No. 3,841 W.

General.
Establishment.

Read the following papers :—

No. 15. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department (through the Examiner of Public Works Accounts), dated St. Thomas' Mount, 19th September 1878, No. 3,430.

I HAVE the honor to forward copy of a letter, No. 346, dated 14th September 1878, received from the Officer in charge of No. 2 Range, bringing to notice that a lascar of the Red Hills Lake Conservancy Establishment, to whom Rupees 51, the pay of the establishment for August last, was disbursed for conveyance to the Monigar, has absconded with the money. The result of the inquiries of the Police into the matter will be reported to you in due course. Meanwhile, as the establishment in question is without pay, I request sanction to the disbursement of the same as recommended in the concluding portion of the Range Officer's letter.

From Conductor D. FALVEY, Executive Officer, Mount Division, to the Superintending Engineer, Chingleput District, dated Mount Divisional Office, 14th September 1878, No. 346.

I HAVE the honor to bring the following to notice.

2. On the evening of the 2nd instant Mr. Hutton, the Head Accountant, distributed the salaries of the Conservancy Establishments to the lascars sent by the Monigars of Red Hills, Tamarapakam, and Cherambakam. The Red Hills lascar received Rupees 51, and he was directed, with the other two lascars, to sleep in the verandah of Mr. Hutton's house for security's sake, as it was late in the evening, and to start early the following morning. They did as they were directed and started about half past five in the morning. The Monigars of Cherambakam and Tamarapakam received the moneys sent by their lascars, but the Red Hills lascar absconded with the money and has not been heard of up to date.

2. The man has always been entrusted with money and he was considered by the Monigar trustworthy and was frequently engaged by him in bringing and taking money from the Divisional Office.

3. The practice hitherto prevailing in this division was to pay money to lascars sent by the Monigars. I have, however, directed that in future Monigars will attend in person and payments be made to them.

4. The matter is now in the hands of the Police, and they are instituting inquiries as to the whereabouts, &c., of the lascar. As the Monigar and the other lascars are without pay, I beg to request your permission to pay them their salaries, amounting to Rupees 45, for August last and to debit the amount, Rupees 51, referred to in the above, to Miscellaneous Advances until the result of inquiries at present being made by the Police is known.
