GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.

Civil Works.

Read the following paper:—

No. 28. From Major H. M. VIBART, R.E., District Engineer, Trichinopoly, to the Chief Engineer, Public Works Department, dated Trichinopoly, 9th September 1878, No. 478.

With reference to G.O., No. 3,224 W, of 12th ultimo, I have the honor to report that the construction of the Police Station at Srirangam was commenced at the urgent request of the Superintendent of Police, and on the following grounds:—

That this work was included in a list of works printed with G.O., No. 132, dated 15th January 1877, wherein funds are provided; though the plan and estimate had not been finally sanctioned by Government, yet the plan was on a standard design, and had been received from the Chief Engineer, with only a call for a sketch of the site and for certain corrections to be made in the estimate; and it was thought that no alterations would be made in the design, and the same would be sanctioned and funds allotted in the current year.

No. 29. ORDER THEREON, 2nd October 1878, No. 3,848 W.

The explanation is not satisfactory. The Superintendent of Police was no doubt ignorant of the stringent rules against unauthorised expenditure, or he would not have urged the commencement of the work before sanction had been obtained for it, but his request was no warrant for the infraction of departmental orders by the District or Range Officer.

2. Major Vibart will state in what month the work was set in hand, and the names of the Public Works Officers concerned in the irregularity.
