To, The Right Honourable

May Lord.

We have the honour
to forward a Memorial
from one J. S. Curram,
late a Sub Overseer
under a Local Fund
Board in the Cuddalore
District.

2. We refused to interfere
in the Petitioner's favour
as the District Engineer,
the officer best qualified
to judge of his merits
had a very bad opinion
of him; and the position

of Local Fund Overseers
to the District Engineer,
as the Engineering
representative of the
Board, so closely corresponds
with that of master
and servant, that we
do not consider it
advisable to ~~pass~~
review the sentences passed
upon Local Fund employees
unless in cases where
there has been
palpable injustice.

We are of opinion
that this is not such
a case.

3. We have the honor
in conclusion to observe
that the question whether
the

the District Magistrate or
the Sessions Judge's
decision with regard
to the charge of forgery
preferred against the
Petitioner was right
seemed to us to be
quite apart from the
main point at issue -
which was, whether the
Engineering Member of
the Local Land Board
was justified in
dismissing a man
whom both the Range
officer and himself
considered unfit for
the post which he held.
