GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

2nd October 1878, No. 3,857 W.

General.
Account.

Read the following paper :—

No. 46. From A. J. B. ATKINSON, Esq., Acting Sub-Collector in charge, Cuddapah, to the Secretary to Government, Public Works Department, dated Cuddapah, 27th September 1878, No. 641.

I HAVE the honor to state that on the requisition of the Superintendent of Police the District Engineer sends a sketch of a rack for swords and carbines to be attached to the Sub-Jail and Taluk Treasury at Jamalamadugu with an estimate for the same, amounting to Rupees 15-8-0, for my approval, and with a requisition for funds.

2. I have approved of the estimate, but have no funds. The work being a new work, I am of opinion that as such the sanction of Government for this outlay is necessary under G.O., No. 1,335 W, of 16th March 1878.

3. I have therefore the honor to request that the Government will be pleased to accord their sanction for the expenditure, or authorize the District Engineer to meet the charge from the funds at his disposal, as was done in the Government Order above quoted.

No. 47. ORDER THEREON, 2nd October 1878, No. 3,857 W.

COMMUNICATED to the District Engineer, Cuddapah. The estimate and appropriation of funds are within the District Engineer's own powers of sanction.
