FOR ORDERS.

It will be seen from this Telegram that from the appropriation of Rs 50,000 for the Lying-in Hospital, Rs 42,000 have been spent, leaving Rs 8,000 only available for re-appropriation. But as Rs 25,000 have been transferred in G.O. 3504 W dated 4<sup>th</sup> Sept 1878 it will be necessary to provide the balance viz Rs 17,000.

The only possible sources from which funds

I do not object to the necessary Rs 11,000 being raised from the work shop as specified by

can be obtained are those indicated in the Memo. on which G.O. 3504 W is based. Rs 6000 may perhaps be obtained from the budget provision for a steamer launch for the ~~Mylapore~~ District, which will not probably be required during the current official year. it having been suggested in another paper now in circulation to proceed for the present with Range boats only, for which a separate provision is contained in the budget.
