GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

10th October 1878, No. 3,940 W.

General.
Account.

Read the following paper:—

No. 115. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer and Secretary to Government, Public Works Department, dated Fort St. George, 12th August 1878, No. 2,864.

With reference to G.O., No. 2,527 W, of 15th June 1878, I have the honor to request that, if it is not possible to appropriate funds for starting the saw mill and steam hammer at the Public Works Workshops, you will be so good as to move the Government to sanction an advance of Rupees 1,400 to enable the General Superintendent to utilise these two important pieces of machinery, the amount so advanced to be repaid by the Workshops.

2. The General Superintendent writes to me as follows in a demi-official letter dated 5th August 1878:—

"* * * * I wish you could persuade the Government and the Chief Engineer to let me have a little money to connect the saw mill with the 40 H. P. engine and to get the steam hammer at work. I expect to get the new cupola at work this week and thus use up the old guns from the Fort, by which I expect to make still further profit." * * *

3. It appears a pity, and indifferent economy, to allow two such useful machines to lie idle when so little is required to enable the General Superintendent to work them.

No. 116. ORDER THEREON, 10th October 1878, No. 3,940 W.

THE District Engineer's proposal is sanctioned. Immediate arrangements should be made for starting the saw mill and steam hammer at the Workshops.

Saw Mill and Steam Hammer, Public
Works Workshops and Stores.—The im-
mediate starting of the — ordered.

No. 2864

From,

The District Engineer,
Presidency.

To,

The Chief Engineer, and
Secretary to Govt. S.M.

Sir,

With reference to G. O. No. 2527 of
15 June 1878, I have the honor to request,
that if it is not possible to appropriate funds
for starting the saw mill and steam hammer
at the P.W. Workshops, you will be so good
as to move the Government to sanction an
advance of Rs 1400 to enable the General
Superintendent to utilise these two im-
portant pieces of Machinery. The amount
so advanced, to be repaid by the work-
shops.

2. The General Superintendent writes to
me as follows in a semi-official letter
of 5 Aug. 1878.

* * * * I wish you could persuade
"the Government and the Chief Engineer
"to let me have a little money, to connect
the

the Saw Mill with the 40 H.P. Engine and
to get the Steam Hammer at work. I
expect to get the new cupola at work this
week and thus use up the old guns
from the Fort - by which I expect to make
"still further profit." * * *

3. It appears a pity, and indifferent
economy, to allow two such useful Ma-
chines to lie idle when so little is required
to enable the General Superintendent
to work them.

I have the honor to be

Sir,
Your most obedient servant

W. Thompson Major R.
District Engineer
Resident of

What we want to
know is whether if the
advance applied for is
sanctioned it is ne-
cessary to make an
appropriation of funds
to cover it. If so the
object of the advance is
not understood.

OFFICE NOTE.

To

W.

THE DEBIT TO PROVINCIAL
ON ACCOUNT OF THE PRESIDENCY WORK-
SHOPS IS PRACTICALLY THE DIFFERENCE
BETWEEN THE AMOUNT DRAWN FROM THE
TREASURY FOR WORKING EXPENSES AND
THE VALUE OF THE AMOUNT OF WORK
TURNED OUT BY THE SHOPS.

AS THE SUPERINTENDENT BY SETTING
UP THE SAW-MILL AND STEAM HAMMER
EXPECTS INCREASED PROFITS, WHICH
WILL, IN ALL PROBABILITY, EXCEED THE
SUM OF RS. 1400 APPLIED FOR, I SHOULD
ADVISE HIS BEING GIVEN THE AMOUNT
APPLIED FOR AND ALLOWED TO PUT THE
MACHINERY UP. —

23/9

To C

21/9

TO W.

NO APPROPRIATION IS NECESSARY, IF ADVANCE IS SANCTIONED. WHAT THE SUPERINTENDENT OF THE SHOPS WANTS IS TO BE ALLOWED TO PUT UP THE SAW-MILL AND STEAM HAMMER, AND IT WILL BE SUFFICIENT IF YOU CONVEY YOUR APPROVAL TO THIS.

PLEASE ASK YOUR OFFICE PEOPLE, NOT TO WRITE ON THE INNER MARGIN OF OFFICE NOTES, BUT TO TURN THE PAGE AND WRITE ON OUTER MARGIN.
