Read the following paper:—

No. 130. Proceedings of the Board of Revenue, dated 1st October 1878, Miscellaneous No. 10,096.

From W. H. COMYN, Esq., Collector of South Canara, to the Secretary to the Board of Revenue, dated Goorpoor, 9th September 1878, No. 1,674.

WITH reference to paragraph 2 of the Board's Proceedings, dated 16th August 1878, No. 2,304, I have the honor to state that the expenditure of Rupees 1,030 from Imperial Funds was as shown in paragraph 2 of my Public Works report incurred on account of Military Works for which there is no heading in the form prescribed by the Board for Statement No. 1. Hence it was not exhibited in that statement.

2. With regard to paragraph 4 of the Board's Proceedings under reference, I beg to state that I consider the explanation given by the District Engineer for short expenditure on Local Fund Works to be satisfactory, though I should have been glad if circumstances had admitted of a further utilisation of the allotment. The explanation has been accepted by the Local Fund Board and adopted in substance in the Local Fund report in which the several new works are noticed separately.

SUBMITTED to Government in continuation of Board's Proceedings, dated 16th August 1878, No. 2,304.
