No. 140. From J. W. RUNDALL, Esq., District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 24th September 1878, No. 2,669.

With reference to G.O., No. 3,492 W, of the 2nd instant, directing me to G.O., F.R. No. 1,087, of 9th May 1878. report for what length of time the extra establishment of Sub-Overseers sanctioned in the marginally-noted Orders will be required, I have the honor to inform you that I cannot specify the period for which they will be required. I have consulted the Collector, who states that the works in Bellary, Allur, and Adoni will have to be kept open till the end of the calendar year, though it may be possible to close those in the western taluks about the 30th November.

2. Under these circumstances, I would request that the sanction be made to hold good till the end of the calendar year, and should it be found that there is a probability of the works being kept open beyond that time, I will apply for the continuance of the establishment.
