GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

14th October 1878, No. 4,002 W.

General.
Account.

Read the following paper :—

No. 184. Endorsement of the District Engineer, Salem, dated Salem, 2nd October 1878, No. 176 SL.

From W. G. NEWTON, Esq., Sub-divisional Officer, Salem, to the District Engineer, Salem (through the Divisional Officer, Salem), dated Salem, 28th September 1878, No. 308.

With reference to your endorsement, No. 802, on the Government Order requiring me to refund Rupees 350 in seven monthly instalments, I have the honor to inform you that Rupees 117-5-11 have been recovered in fines from the men convicted of the theft of my cash-chest. I would therefore ask whether it is the intention of Government that I should refund Rupees 350 in addition to the sum thus recovered.

2. If you think that Government is likely to reconsider the matter favorably, I would further ask you to bring to their particular notice the fact that the lascars convicted of the theft were Government lascars and not private servants, and they should therefore have all the more protected the cash-chest which was Government property.

No. 280.

SUBMITTED for the favorable consideration of Government.

2. It appears that the following considerations may fairly be allowed weight ; 1st, that Mr. Newton might naturally suppose that the lascars who were in general charge of the property in the house would be sufficient protection to his cash ; 2nd, that his experience is short ; 3rd, that he has worked cheerfully and industriously during more than a year of famine duty ; and 4th, a point of more importance in my view than all the others, that the principal culprits were themselves Government servants.

(Signed) J. PENNYCUICK, Major, R.E.,
District Engineer, Salem.

No. 185. ORDER THEREON, 14th October 1878, No. 4,002 W.

HIS GRACE the Governor in Council does not consider that this recovery should affect the sum ordered to be paid by Mr. Newton, which is much less than the amount actually stolen.
