Read the following papers:—

No. 186. From Captain A. AWDRY, R.E., Acting District Engineer, Coimbatore, to the Chief Engineer, Public Works Department, dated Coimbatore, 19th July 1878, No. 186 CL.

With reference to your Circular, No. 2,957, of 5th July 1878, I have the honor to inform you that in the Coimbatore and Irrigation Range Offices owing, (1) to the inexperience in accounts of the Sub-divisional Writers and extra office hands locally obtainable, (2) to the great increase in expenditure over the normal state of affairs, and (3) to the multiplication of imprest holders, the Range Officers report their establishments are unable to submit the accounts earlier than is now done unless assistance is afforded.

2. The officers themselves and all their office establishments are working far beyond ordinary hours and yet are unable to get in the accounts as early as desirable.

3. No men of experience in Public Works Accounts being obtainable locally, I have requested the Examiner to furnish them with additional experienced help, and fear that, unless he is able to do this, no improvement in submission will be possible.
