- No. 206. Endorsement of the Acting Chief Secretary to Government, Educational Department, dated Ootacamund, 2nd October 1878, No. 1,797.
From C. HALL, Esq., Secretary to the Civil Orphan Asylums, to the Acting Chief Secretary to Government, dated Madras, 30th September 1878.

I AM desired by the Directors of the Civil Orphan Asylums to request that they may be allowed to purchase at the Public Works Stores at the Presidency at the cost on the books of the stores such tools as they may require for their carpentry department. They trust, therefore, that the privilege now solicited may be accorded to the institution.

FORWARDED, with copy of the order cited, to the Public Works Department for consideration and disposal.

Civil Asylums.

Read the following paper:—

No. 39. From Colonel R. M. MACDONALD, Director of Public Instruction, to
the Chief Secretary to Government, dated Madras, 19th February 1877,
No. 672.

In a letter dated the 22nd December last the Secretary to the Civil Orphan
Asylum, Madras, applied for a grant of carpenters' tools, a list of which he
enclosed. The matter was referred to the Inspector of Schools, Presidency Division,
and his report is forwarded for the information of Government.

2. Mr. Fowler considers that the grant, the value of which amounts to
Rupees 185-5-0, should be made on the understanding that the Directors guarantee the
continuance of instruction to not fewer than eight boys for at least five years, and he is
of opinion that it is desirable to make industrial teaching an essential part of the
routine of the school.

3. I have the honor to recommend the issue of the grant applied for on the
conditions suggested by Mr. Fowler.

No. 40. ORDER THEREON, 26th February 1877, No. 65.

The grant is sanctioned on the condition stated.

2. The Director of Public Instruction will impress on the Asylum Committee the
importance that Government attach to industrial training in it.
