To the Secretary to the Government of Madras, Public Works Department.

From the Government of India, Public Works Department, to the Joint Secretary to the Government of the Punjab, Public Works Department, Irrigation Branch, dated 21st September 1878, No. 252 A—I.

With reference to the correspondence ending with your No. 2,987, dated 2nd July 1878, on the subject of arrangements for check in respect of indents for medical stores, hospital necessities, and surgical instruments, I am directed to inform you that the Government of India does not consider it expedient that the additional checks proposed by the Punjab Government should be enforced. When it is thought necessary, the Hospital Assistants should, I am to say, be required to submit their indents to the medical authorities through the Executive Engineer of the division, who could then make any remarks he might see fit on matters justly falling within his cognizance, such as the reported number of sick in the division, &c.

But, beyond this, no alteration of the existing procedure for the supply of medical stores, &c., is held to be requisite.

No. 209. ORDER THEREON, 16th October 1878, No. 4,026 W.

COMMUNICATED to the Surgeon-General, Indian Medical Department, with reference to his letter, dated Fort St. George, 15th June 1877, No. 372, and to the Examiner, Public Works Accounts, with a copy of the letter of this Government to the Government of India, in the Public Works Department, dated Fort St. George, 17th July 1877, No. 439 W, for information and guidance.
