GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

19th October 1878, No. 4,070 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 234. Endorsement of the Acting Chief Secretary to Government, dated Ootacamund, 20th September 1878, No. 1,708.

From the Venerable C. R. DRURY, M.A., Archdeacon and Commissary to the Acting Chief Secretary to Government, dated Madras, 14th September 1878.

I HAVE the honor to forward a letter just received from the Registrar of the Diocese in which he states that the records in his custody, now kept in a godown, have been injured by white-ants in spite of every effort on his part to protect them from injury, and he wishes to be informed whether Government will allow him to engage another building as an office for the Registrar and permit him to indent on Government for furniture, or whether it is the intention of Government to provide him with an office in some Government buildings at an early date.

From the F. ROWLANDSON, Esq., Registrar of the Diocese, to the Venerable the Archdeacon and Commissary, dated Madras, 13th September 1878.

In the month of November of last year when the building used by me as the office of the Registrar of the Diocese fell down, all the records were, as you are aware, moved into a room upon the ground floor of my private office as a temporary measure pending further orders.

2. They have remained there ever since, and I obtained from the stores of the Commissary-General the loan of three large almirahs in which the greater part of the records were placed.

3. A portion, however, remained, for the storage of which I had no proper place, and I find that some damage has been caused to these by white-ants and damp.

4. I am unable to have the records moved upstairs as the Presidency Engineer gave it as his opinion that the first floor of my office was not sufficiently supported to bear any great weight, and I have waited before engaging any other building until I should receive the decision of Government as to my being afforded accommodation in some Government building. For the same reason, I have waited without indenting for new furniture.

5. As I now find, however, that the records are likely to be affected in the manner above mentioned if kept in the room on the ground floor of my office, I have the honor to request that you will ascertain from Government whether I am at liberty to engage another building as an office for the Registrar of the Diocese and indent for new furniture, or whether it is the intention of Government to provide me with an office in some Government building at an early date.

6. I am taking such steps as I can to keep the room dry and to check the white-ants.

TRANSFERRED to the Department Public Works for early consideration, whether a spare room or two can be allotted in the Fort for the Registrar's use.

(Signed) C. G. MASTER,
Ag. Chief Secretary.

No. 235-A. From the Venerable C. R. DRURY, M.A., Archdeacon and Commissary to the Secretary to Government, Public Works Department, dated Madras, 10th October 1878.

On receipt of your memorandum, No. 4,475, Public Works Department, dated 4th October 1878, I forwarded a copy of it to the Registrar of the Diocese for any information he could supply in answer to the inquiry you made. I herewith send you his reply, in which he states that he receives an allowance for office of Rupees 35 per mensem.

From the F. ROWLANDSON, Esq., Registrar of the Diocese, to the Venerable the Archdeacon and Commissary, dated Madras, 8th October 1878.

As directed in your letter of the 7th instant, I have the honor to inform you with reference to memorandum, No. 4,475, Public Works Department, that the Registrar of the Diocese receives an allowance for office rent of Rupees 35 per mensem.

No. 235. ORDER THEREON, 19th October 1878, No. 4,070 W.

HIS GRACE the Governor in Council observes that so long as the Registrar of the Diocese receives office rent from Government, he is responsible for providing suitable and safe accommodation for his office and records.

2. The Government are not at present prepared to provide accommodation in a Government building. The question of furniture will be considered in the Ecclesiastical Department.
