GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

26th October 1878, No. 4,152 W.

General.
Establishment.

Read the following papers :—

No. 299. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 12th August 1878, No. 215 W.

I HAVE the honor to forward, herewith, Disallowance List No. 72 of 1878-79 on the contingent bill of the Sidhout Division, Cuddapah District, for your perusal, and, with reference thereto, to state that ever since the issue of G.O., No. 1,856, of 2nd July 1875, the Executive Officer has regularly claimed bandy-hire for conveyance of office records at the rate of Rupees 18 monthly.

2. I shall feel obliged by your informing me if the charges should continue to be passed with reference to the explanation now given by the Executive Officer, Sidhout Division.

No. 299-A. From Lieutenant-Colonel J. N. HUNTER, R.E., District Engineer, Cuddapah, to the Chief Engineer, Public Works Department, dated Cuddapah, 29th August 1878, No. 1,325.

In returning your endorsement, No. 3,607, of the 15th instant, with its enclosures, I have the honor to submit copy of letter, No. 1,005, of the 26th idem, from the Sidhout Range Officer, and to state that, under the circumstances mentioned therein, I consider that the charge for conveyance of office records should continue to be passed.

Copy of a letter from the Officer in charge of Sidhout Range, to the District Engineer, Cuddapah, dated 26th August 1878, No. 1,005.

WITH reference to the enclosures forwarded with your No. 1,244 of 20th instant I have the honor to state that I find it necessary to keep up a monthly bandy for conveyance of the office records as I have not only to take with me on circuit the Range Office records but also those of the Special Duty Office (Famine Relief) which together take up a great deal of room. The bandy has been hired by the month as it is now extremely difficult to obtain carts, &c., in this part of the district, and they cannot be obtained in the villages at short notice.

2. As regards bandy-hire previously to my assuming charge of the Range, the matter was settled by the Examiner last year (*vide* his Disallowance Lists Nos. 50 and 77 of 1875).

No. 299-B. From Lieutenant-Colonel J. N. HUNTER, R.E., District Engineer, Cuddapah, to the Chief Engineer, Public Works Department, dated Rayachoti, 19th October 1878, No. 1,694.

WITH reference to your memorandum, No. 4,452, dated 3rd instant, I have the honor to report that Mr. Maclean, Assistant Engineer, who held charge of the Special Famine Office as well as the Sidhout Range Office, had to take about with him the records of the two offices.

2. He engaged a bandy on monthly hire for carriage of the records of the Special Famine Office and charged the same to contingencies. If the travelling allowance given is supposed to cover the charge of conveyance of records of one office the same rule can hardly be extended to the cost of conveying the records of two or more offices.

3. Mr. A. W. Hunter, Assistant Engineer, who is now in charge of the Sidhout Range, reports that the Special Famine Office is still in existence and that the conveyance of office records for the same is being charged to Contingencies.

No. 300. ORDER THEREON, 26th October 1878, No. 4,152 W.

THE charges already incurred may be admitted, but they will cease from the end of October.
