GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

26th October 1878, No. 4,157 W.

General.
Establishment.

Read the following paper :—

No. 305. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 16th October 1878, No. 315 W.

I HAVE the honor to forward, herewith, for information and orders, in original, a letter from Lieutenant H. D. Love inquiring as to the rate of pay which he is to receive for the interval between the date (8th September 1878) on which he made over charge of his duties in the Consulting Engineer's Department to the date (5th October 1878) on which he joined the Public Works Department as an Assistant Engineer, 2nd Grade.

2. As Lieutenant Love's services were not formally replaced at the disposal of the Military Department when his duty in the Consulting Engineer's Department ceased, it would appear that, at whatever rate he is to receive salary for the period in question, Lieutenant Love should be paid by the Public Works Department, the interval being treated as joining time on transfer from the Consulting Engineer's Department to the Public Works Department.

3. The favor of an early reply is requested.

From Lieutenant H. D. LOVE, R.E., to the Examiner of Public Works Accounts, dated Madras, 9th October 1878.

On 5th February last I was transferred from the Military Department to the Public Works Department and appointed to officiate as Deputy Consulting Engineer for Railways. This appointment I held until relieved on 8th September. By a notification dated Ootacamund 5th October I received a grading in the department and was posted to the Malabar District.

2. During the intervening period I was unemployed, and I have the honor to inquire in what manner and at what rate my pay for that period should be drawn. In the interval between 8th September and 5th October I was not retransferred to the Military Department or transferred to any other department. A transfer to the Educational Department, which I desired, was not permitted by the Government.

No. 306. ORDER THEREON, 26th October 1878, No. 4,157 W.

LIEUTENANT LOVE's services were temporarily placed at the disposal of the Public Works Department for employment under the Consulting Engineer for Railways. When the Officer of the Railway Branch for whom Lieutenant Love was acting relieved him, his connection with the department ceased, and he was *ipso facto* out of employ.

2. His appointment to the Provincial Establishment of the Public Works Department was a subsequent arrangement, sanctioned on his specific application of the 9th September 1878, and cannot be held to have effect till the date (5th October) on which his appointment was sanctioned.

I HAVE THE HONOR TO FORWARD HEREWITH FOR INFORMATION AND ORDERS IN ORIGINAL A LETTER FROM LIEUTENANT H.D. OCTOBER 1878 : ON WHICH HE JOINED THE PUBLIC WORKS DEPARTMENT AS AN ASSISTANT ENGINEER 2ND. GRADE.

2. AS LIEUTENANT LOVE'S SERVICES WERE NOT FORMALLY REPLACED AT THE DISPOSAL OF THE MILITARY DEPARTMENT WHEN HIS DUTY IN THE CONSULTING ENGINEER'S DEPARTMENT CEASED, IT WOULD APPEAR THAT AT WHATEVER RATE HE IS TO RECEIVE SALARY FOR THE PERIOD IN QUESTION, LIEUTENANT LOVE SHOULD BE PAID BY THE PUBLIC WORKS DEPARTMENT, THE INTERVAL BEING TREATED AS JOINING TIME ON TRANSFER FROM THE CONSULTING ENGINEER'S DEPARTMENT TO THE PUBLIC WORKS DEPARTMENT.

3. THE FAVOR OF AN EARLY REPLY IS REQUESTED.
