Read the following paper:—

No. 322. — Endorsement of the Acting Chief Secretary to Government, dated Octacamund, 21st October 1878, No. 1,971.

From the Judges of the Madras Court of Small Causes, to the Acting Chief Secretary to Government, dated Madras, 18th October 1878, No. 917.

We have the honor to again address Government on the insufficient accommodation in the premises of the Court for property seized and brought into Court for safe custody until disposed of.

2. The following Proceedings of Government refer to our previous application on this subject, viz.:—

G.O., 29th October 1875, No. 2,301.
„ 1st December „ „ 2,515.
„ 8th February 1876, „ 210.
„ 12th December „ „ 2,561.

3. We beg to draw the attention of Government to the letter from the Judges of this Court recorded in the second of the above orders. The property for which increased accommodation is required does not belong, as is supposed by Government, to the class of property which has been accumulating in the Court from its foundation, but to the class of property seized under writs of execution and brought into Court to be sold, and which is usually sold after an interval of five days. The former description, as stated in paragraph 8 of the letter of the Judges, is so trifling in quantity that it is not worth consideration.

4. The reports of the Judges of the Courts of Small Causes at Calcutta and Bombay, if they deal with the difficulty now in question, only show that in Calcutta and Bombay there is sufficient storage room for property of all sorts, which is not the case here.

5. The want of sufficient accommodation is all the more felt since Sections 483 to 490 of the Civil Procedure Code relating to attachments before judgment have been extended to this Court.

6. From the report of the Officiating District Engineer, Presidency, recorded in G.O., 12th December 1876, No. 2,561, it will be seen that there is no available room in the Court-house for the property held temporarily by the Court, and that the necessary accommodation can be provided at an approximate cost of Rupees 3,500. We therefore trust that Government will be pleased to sanction this expenditure for the protection of suitors' property.
