No. 335. From F. N. THOROWGOOD, Esq., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 23rd October 1878, No. 41 W.

I HAVE the honor to forward herewith a tracing of the Madras Harbour as existing September 30th, 1878, for the Government of India.

2. I also send herewith six photographs of the works taken on 5th October. The general view (which shows the sand accumulation at its worst) is taken from the top of the light-house. The other two views are taken from the head of the iron pier as usual in the quarterly photographs.

3. For future record of the progress of the works I am of opinion that photographs from the light-house will be the clearest and best.

No. 336. ORDER THEREON, 30th October 1878, No. 4,192 W.
