No. 15-A. From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Madras, to the Acting Chief Secretary to Government, dated Madras, 9th October 1878, No. 7,551.

Administrative Department.

In returning the letter from the District Engineer, Tanjore, No. 2,254, dated 25th ultimo, referred to me under endorsement No. 1,791, dated the 1st instant, I

have the honor to report that the allotment of Rupees 540 required may be sanctioned from the balance of Port Fund available. I would suggest that in future no appropriations should be made from budget allotments by the District Engineers without reference to this department.

SANCTION is granted for a re-allotment of Rupees 540 for "protecting the sand-spit" at Negapatam from the balance under Port Funds. No mention is made about charge for Public Works supervision. To avoid a further reference on that point, sanction is further accorded for a grant of Rupees 135 for supervision, to be met from the source mentioned. The Accountant-General will arrange for the transfer of funds.

2. The desired order will be issued in the Public Works Department on the Master Attendant's suggestion regarding appropriations from budget allotments.
