Buildings and Roads.
Military Works.

Read the following paper:—

No. 41. Proceedings of the Madras Government in the Military Department, dated 21st October 1878, No. 5,559.

From Brigadier-General H. O'CONNELL, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 12th October 1878, No. 1,375.

I HAVE the honor, by order, to forward letter, dated 24th ultimo, from the Superintendent of Army Schools, suggesting that the block of buildings in which the store-room of the 9th Regiment, Native Infantry, at Cannanore is at present located may be appropriated as school-rooms for the two Native Regiments at that station.

2. The Brigadier-General Commanding at Cannanore supports the proposal, and states that by the re-arrangement of buildings at Cannanore sanctioned in Proceedings of Government, Public Works Department, No. 1,030, dated 21st April 1874, Military Department, No. 1,309, dated 28th idem, and the removal of the stores to certain rooms formerly used as guard and prison rooms, the store-room can well be spared for a school-house; and that, as there are ample public buildings for the use of the two Native Corps located at Cannanore for all purposes, the contemplated appropriation will not lead to any prospective expense in the provision of rooms for other purposes.

3. The Engineer is of opinion that the building proposed to be used as a school is in every way suitable, and that the expense of making the slight alterations required to render it at once fit for use will not amount to Rupees 100.

4. The sanction of Government for the appropriation of the building as a school for two Native Infantry Regiments is therefore requested.

5. If approved, it is requested the Public Works Department may be asked to appropriate funds for the alterations required to fit the building for use as schools for two Regiments of Native Infantry.

From Major C. J. JENNINGS, Officiating Superintendent of Army Schools, to the Deputy Assistant Quartermaster-General, Malabar and Canara, dated Cannanore, 24th September 1878, No. ———.

I HAVE the honor to request you will be so good as to submit, for the approval of the Brigadier-General Commanding, my recommendation that the block of buildings in which the store-room of the 9th Regiment, Native Infantry, is at present located may be appropriated as school-rooms for the two Native Infantry Regiments at this station.

I understand that other and equally suitable accommodation is available as a store-room for the 9th Regiment.

Very slight alterations, at a trifling expense, will convert this building into most suitable school-rooms, and if this arrangement can be sanctioned, the expense of building school-houses for the Native Infantry Regiments at this station will be saved.

I enclose a plan of the building showing the necessary alterations, &c.

SANCTIONED. It is noted that the cost of the necessary alterations will not exceed Rupees 100 approximately.

2. The Public Works Department will be requested to provide the funds.
