Civil Works.

Read the following paper:—

No. 68. From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Chief Engineer, Public Works Department, dated Madura, 28th October 1878, No. 211.

With reference to your memorandum, No. 3,410, dated 2nd August last, I have the honor to state that Rupees 2,000, or half the amount of the estimate, could be spent in this year, if allotted at once, on the new rest-house at the head of the Gudalur Ghaut.

2. The Local Fund Board, Dindigul Circle, are of opinion "that the Dindigul Circle may meet one-half of the expense of the rest-house in question if the Madura Circle agree to pay the other half, and that it seems to the Board unwise to apply to either the Travancore or Madras Government for help."

3. The Madura Circle Board, in their Proceedings, No. 116, dated 21st instant, state that "the Board refuses to vote any funds for the purpose."

4. I was present at the meeting when the question was put to the vote and carried as stated; I dissented from the general opinion, but was quite in the minority. It is therefore evident that no funds can be expected from either of the Local Fund Circles in this district.

No. 69. ORDER THEREON, 7th November 1878, No. 4,268 W.

The Government regret that Provincial Funds cannot be made available.
