RAVING

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

7th November 1878, No. 4,291 W.

General
Establishment.

Read the following paper:—

No. 107. From Captain R. E. E. BROCKMAN, R.E., District Engineer, Tanjore, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Trichinopoly, 2nd November 1878, No. 2,574.

I have the honor to forward copy of letter No. 426, with its enclosures, received from Lieutenant Remilly, R.E., of Negapatam, on the subject of a suit against him filed in the Sub-Court of Negapatam by one Contractor Arconmogutha Pillay for the recovery of Rupees 7,500, said to be due to him from this department on account of works carried out by him in Negapatam Range. A true translation of the plaint is enclosed. From the accompanying defence drawn up and submitted by the Range Officer it will be observed that the claims of the contractor are very exorbitant. I request therefore that, as the date of hearing fixed by the Sub-Court is the 25th instant, you will be good enough to move the Government and obtain early sanction of defencing the suit in question at the public expense.

The revised estimate called for by G.O. of the 1st July 1877, No. 431 W, will be submitted for the sanction of Government on its receipt from the Range Officer to whom a fresh reminder has this day been issued.

No. 108. ORDER THEREON, 7th November 1878, No. 4,291 W.

The defence of the suit is authorised. The Superintending Engineer will be advised by telegram.
