No. 156. From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Secretary to Government, Public Works Department, dated Manalore, 2nd November 1878, No. 216.

I HAVE the honor to acknowledge the receipt of G.O., of the 15th ultimo, No. 4,009 W. Since it was penned the re-organization scheme has been published, new appointments made, and District Engineerships done away with; not having been made a Superintending Engineer, I revert to my substantive appointment of Executive Engineer *per se*, and this being so and Periyakulam being one of the taluks entrusted to me, I venture to ask for a reconsideration of His Grace's order regarding the superintendence of the zemindary works. As Executive Officer I can with no difficulty undertake the work, more especially as I must be very often in Periyakulam; as the Collector and the Court of Wards approve of my original proposition, I respectfully beg that, under the altered circumstances of the case, I may be granted the personal and office allowance asked for.

No. 157. ORDER THEREON, 11th November 1878, No. 4,329 W.

THE Superintending Engineer will inform Mr. Harrington that the orders already issued cannot be modified. They were passed with special reference to the re-organized department.
