GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

23rd November 1878, No. 4,467 W.

General.
Account.

Read the following papers :—

No. 264. From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Secretary to Government, Public Works Department—through the Examiner of Public Works Accounts—dated Madura, 6th November 1878, No. 229.

ADVERTING to paragraph 2 of my No. 172, dated 16th September last, I have the honor to state that the Superintendent of Police in his No. 209, dated 30th ultimo, writes as follows :—

"Up to date none of the property lost in the case under reference has yet been recovered. A Police inquiry closes only with the detection of the case; as no clue has been obtained, it is perhaps as well not to defer your report further."

One Levelling Instrument, Dum-phy, 14" ...	RS.	A.	P.	2. The General Superintendent, Public Works Stores and Workshops, Madras, values the lost instruments at Rupees 225-14-0 as particularized in the margin. They are classed as new being so in reality. I would recommend their being written off the books as their ultimate recovery appears very dubious.
One Rule, Parallel, Brass Rolling, 24" ...	154	10	0	
One Mathematical Instrument ...	21	2	0	
One Box, first-class ...	50	2	0	
Total ...	225	14	0	

No. 264-A. From the Examiner of Public Works Accounts, dated 11th November 1878, No. 267 MD.

As the value of the instruments exceeds Rupees 100, the sanction of Government is required to their being written off the books.

No. 265. ORDER THEREON, 23rd November 1878, No. 4,467 W.
SANCTIONED accordingly.
