GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

25th November 1878, No. 4,497 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 290. From F. N. THOROWGOOD, Esq., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, Buildings and Roads, dated Madras, 19th November 1878, No. 47 W.

I HAVE the honor to make another application to Government regarding the Hopper Barges *Salisbury* and *Hobart*, in continuation of my letter No. 29 W of August 29th 1878, on which G.O., No. 3,568 W, of September 9th was issued.

2. It will be seen that that order sanctioned the pay of the Engineers of these vessels at Rupees 225 per mensem from December 1st 1878 to March 1st 1880, and at Rupees 250 from March 1st to September 1st 1880.

3. In applying for this sanction, I should at the same time have asked for an increase to the pay of the Commanders who are in charge of the vessels and their crews.

4. In consequence of an application from the Commander of the *Salisbury* to the Master Attendant asking for an increase of pay, Captain Taylor wrote to me a letter supporting the claim, copy of which letter is herewith submitted.

5. The pay of the Commanders of the vessels was originally Rupees 250 per mensem, and this when on each vessel there were two Engineers, one at Rupees 250 and one at Rupees 200. I therefore think that an increase of pay may with advantage be sanctioned.

6. I propose that the two Commanders be bound to serve until October 1st 1880, which will be for one month longer than the Engineers are bound for, and that their pay which is now Rupees 200 per mensem shall be increased in the following manner. From October 1st 1878 (dating back) to April 1st 1879 at Rupees 230 per mensem, and from April 1st 1879 to October 1st 1880 at Rupees 250 per mensem.

7. That it is very desirable for discipline's sake, that the Commanders should not be paid less than the Engineers, is pointed out very clearly in paragraph 2 of Captain Taylor's letter, and I therefore respectfully ask that the amounts asked for may be sanctioned.

From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Administrative Department, to the Superintendent, Madras Harbour Works, dated Madras, 12th November 1878, No. 8,540.

I HAVE the honor to enclose for your perusal original letter from the Commander of the Barge *Salisbury* asking for an increase of salary to at least the same amount as that which the Engineers receive.

2. The salary originally fixed for the Commanders of these vessels was Rupees 250 per mensem, and I am certainly of opinion that the Commanders should be better paid than the Engineers, seeing that the whole responsibility of the care of the vessels rests with them, and, moreover, that good discipline is more likely to be maintained if the Commander's supremacy is thus acknowledged.

No. 291. ORDER THEREON, 25th November 1878, No. 4,497 W.

THE proposals in paragraph 6 of the Superintendent's letter are sanctioned.

Fort Saint George
MADRAS, 19 November 1878.

Sir,

I have the honor to make another ap-
plication to Government regarding the Hopper
Barges "Salisbury" and "Hobart," in continuation
of my letter, No. 29 W. of August 29th, 1878, on
which G. O. No. 3568 W. of September 9th was
issued.

2. It will be seen that that order sanc-
tioned the pay of the engineers of these vessels
at Rs 225 per mensem from December 1st
1878, to March 1st 1880, and at Rs 250 from
March 1st to September 1st 1880.

3. In applying for this sanction, I
should at the same time have asked for
an increase to the pay of the Commanders
who are in charge of the vessels and their
crews.

4. In consequence of an application from the Commander of the *Talisbury* to the Master Attendant asking for an increase of pay, Captain Taylor wrote to me a letter supporting the claim, copy of which letter is herewith submitted. -

5. The pay of the commanders of the vessels was originally Rs 250 per mensem, and this when on each vessel there were two engineers one at Rs 250 and one at Rs 200. I therefore think that an increase of pay may with advantage be sanctioned. -

6. I propose that the two Commanders be bound to serve until October 1st 1880, which will be for one month longer than the engineers are bound for, and that their pay which is now Rs 200 per mensem shall be increased in the following manner. - From October 1st 1878 (dating back) to April 1st 1879 at Rs 230 per mensem, and from April 1st 1879 to October 1st 1880 at Rs 250 per mensem. -

FOR ORDERS.

The proposals in para.
 6 of the Superintendent's
 letter are recommended
 for sanction. It seems
 necessary that the Com-
 manders should be
 placed on a better
 footing in point of pay
 than their Engineers.

I approve
