Read the following paper :—

No. 296. From F. N. THOROWGOOD, Esq., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, Buildings and Roads, dated Madras, 18th November 1878, No. 46 W.

I HAVE the honor to submit the following reply to G.O., No. 4,284 W, of the 7th instant, on the subject of land required for laterite quarrying.

2. Of the land referred to in the Collector of Chingleput's letter (No. 275, of 10th October 1878, paragraph 4), the area of 3.62 acres in Korattoo can be dispensed with. The areas of 6.74 acres in Menambedu and 19.96 Woragadam must be taken up in order to extend the line. I find that this is unavoidable.

3. The land referred to in paragraph No. 6 of the same letter on the village site of Korattoo can be dispensed with for the present, but if in one year's time the supply of laterite appears to be running short, it may be necessary to take up the greater part of the village of Korattoo.

No. 297. ORDER THEREON, 25th November 1878, No. 4,500 W.

THE acquisition of the land mentioned in this letter as being immediately required is sanctioned.

2. The Collector of Chingleput will submit a draft of the requisite notification for publication in the Gazette.
