GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

26th November 1878, No. 4,518 W.

General.
Establishment.

Read the following paper :—

No. 320. From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (Establishment—Railway), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 9th November 1878, No. 1,383 E.—R.

IN reply to your No. 3,433 W of the 29th August last, forwarding for sanction an application from the Consulting Engineer, Madras, for an increase to his Office Establishment owing to the great increase to the statistical work of the office consequent on the preparation of the reviews of the half-yearly Revenue Accounts of the Railway Companies, which now devolves on him, I am to point out that it has been arranged elsewhere that these reviews should be compiled in the Examiner's Office under instructions from, and on the responsibility of, the Consulting Engineer.

2. Before, however, finally considering the proposal, I am directed to forward statement showing the Clerical Establishments attached to the Offices of other Consulting Engineers, and to request that it may be explained if there are any exceptional circumstances, or any difference in procedure in Madras, which throw upon the Consulting Engineer and his Deputy more work than devolves on the other Consulting Engineers.

Statement showing Clerical Establishments of Offices of Consulting Engineers, Bombay, Calcutta and Lucknow.
