GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

29th November 1878, No. 4,573 W.

General.
Account.

Read the following paper:—

No. 358. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Chief Engineer, Public Works Department, dated Chepauk, 23rd November 1878, No. 379 E.W.

ADVERTING to G.O., No. 2,265 F.R., of the 31st ultimo, I have the honor to request that lists of all the available tools and plant in the charge of Civil officers in famine districts may be obtained and early communicated to this office.

2. Along with the lists should be a statement of the value at which the Public Works Department will be prepared to take over the tools.

3. This is necessary in case Government should decide that only the present value of the tools shall be charged to the Public Works Department. A reference on this point is now being made, as I think it would be unfair to burthen the Public Works Department (Provincial) Tools and Plant grants with the cost price of a mass of tools the large majority of which must be missing and the remainder much depreciated in value.

No. 359. ORDER THEREON, 29th November 1878, No. 4,576 W.

COMMUNICATED to Superintending Engineers who will furnish the Examiner, Public Works Accounts, with the required lists.

HAVE THE HONOR TO REQUEST THAT LISTS OF ALL THE AVAILABLE
