FROM

THE SECRETARY TO THE GOVERNMENT OF MADRAS,
Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

SIR,—With reference to the 2nd paragraph of this Government's Proceedings forwarded under docket, No. 3,823 W, dated 30th September 1878, and to the 18th paragraph of Colonel Mullins' report recorded therein, I am directed to state that Government do not think that the advancement of Mr. Ellis to the Engineer Grade would be altogether beneficial either to the service or to himself. They consider that a donation would be the most fitting recognition of his great exertion on the occasion in question.

2. I am therefore directed to recommend the grant to Mr. Ellis of a donation of three months' pay, and to request that this may be sanctioned by the Government of India.

3. I am to observe that had the Gunnaram aqueduct been destroyed, which his energy materially contributed to preserve, the damage done to the State might have been estimated by lakhs of rupees.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Govt., P.W.D.

Para 2 of G. O. 3822 W 30th Sep/78

The question is what sort of reward
to Mr Ellis are you prepared to support
and the Government to grant. I consider
a personal allowance a fitting acknow-
ledgment of a special personal service
rendered, and I should say that a
sum of Rs 100 a month would be
proper. I know that Mr Ellis would
like promotion to the Engineer grade
but I doubt the advantage of this
arrangement, unless a man has such
exceptional abilities, as to make it
right to send him in due course to the
top of the Executive establishment at
least. Mr Ellis may be such a man
but I am not prepared to say that he is at
present, but if he proves himself hereafter
to be so I shall be glad to advocate his
promotion. For the present I should
say a personal allowance of Rs 100
a month or a donation of Rs 5000
and I should prefer the former, would be
the best acknowledged. Had the
Gunnarum aqueduct gone, the loss
would have been estimated by less
than 17th Oct/78
