Buildings and Roads.
~~Military~~ Works.

Read the following paper :—

No. 15. From Colonel F. J. MOBERLY, R.E., District Engineer, Bangalore, to the Chief Engineer, Public Works Department, dated Bangalore, 16th October 1878, No. 142.

I HAVE the honor to forward the undermentioned plans and estimates for the sanction of Government and allotment of funds :—

Providing iron gates to side arches of gun-shed, A and D Batteries, 6th Brigade, Royal Artillery, Agram Barracks	rs. 120
Putting in three windows in the front of the Orderly-room Clerk's quarters, Royal Horse Artillery, Ulsoor Barracks	145

2. In doing so I enclose copies of extracts of letters from the Assistant Quarter-master-General, Mysore Division, informing of the necessity for the works.

EXTRACTS from letters, Nos. 270 and 272, dated 14th October 1878, from the Assistant Quarter-master-General, Mysore Division, to the District Engineer, Bangalore.

"I have the honor to return the estimate, as per margin, retransmitted by the Quartermaster-General, to be submitted to the Chief Engineer for sanction of Government.

"I am desired to request you will mention that the Lieutenant-General wishes the alteration to the quarters to be carried out on sanitary grounds, the Medical Officer being of opinion that the quarters, as they now are, shut in by honey-comb work in front and with only two windows behind, are deficient in ventilation."

No. 272.

"In submitting the estimate in question to the Chief Engineer for the sanction of Government, I am desired to request you will mention that the absence of proper shelter for a sentry inside the gun-sheds makes it desirable, in the opinion of the Lieutenant-General, that these swing gates should be provided so that, while under cover in the passage, the sentry can have effectual supervision over both wings of the sheds."
