Sir

I have the honor to report  
that a fire broke out at Palmy  
and entirely consumed the the ed  
portion of the Sub Registrar's office  
but no damage has been done to  
any of the records. The Sub Registrar  
is now holding his office in one of  
the rooms of the Taluk Cutchery,  
which he reports to be quite leaky.  
It also appears that no suitable  
building could be had for fire  
and even if one could be got,  
would be extremely unsafe to  
hold office in. I have therefore  
requested the District Engineer to  
cause the completion of the rooms  
built for the accommodation of the  
Sub Registrar in the new Taluk Cutchery  
which is lying incomplete for several years.

4643

The Sub Registrar of  
Tanjore has reported to me, that  
the shed erected in front of the  
Verandah of the Sub Magistrate's  
Cutchery had to be removed in order  
to prevent it from catching the fire  
that consumed nearly 50 houses  
in the neighbourhood. The shed  
has been subsequently re-constructed  
and the Sub. Registrar has  
informed me that a proper  
building is not procurable and  
that the one he is now occupying  
is the most commodious that could  
be had at that Station.

Sir,

Referring to your letter No 599 of  
the 27<sup>th</sup> ultimo I have the honor to  
state that the Sub-Registrar of P. is  
now holding his office in one of  
the rooms of the Taluk Cutcherry which  
he has reported to be small and  
leaky and consequently unfit for  
his accommodations. The reply of  
the District Engineer to my reference  
to him on this subject has not been  
as yet received and I will communicate  
the same to you as soon as it  
comes to my hands.

As for Seruchilly the Sub-  
Registrar reports that a

nothing alone would afford him  
suitable accommodation and that  
for the present, any temporary arrange-  
ment cannot be made, as a good  
building is not procurable.
