Civil works.

Read the following paper :—

No. 166. From Colonel W. S. DREVER, c.s.i., Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 4th December 1878, No. 5,254.

I HAVE the honor to forward, for the *early* sanction of Government, the accompanying estimate, with specification report, amounting to Rupees 98, for the erection by the Public Works Department of a small verandah to the south-west face of the Police Superintendent's Office at Vizagapatam in 1878-79.

2. The Superintendent of Police reports that this work is emergently required, as the office-room where the employes work is much exposed to excessive heat during the hot weather and does not keep out the rain during the monsoon without doors being shut, which causes great inconvenience. I agree with the Superintendent as to the utility of this work.

3. Should the proposal meet with the approval of Government, I beg also sanction for the transfer of Rupees 98 from the current year's *Repair* to the *Construction* allotment of the district to meet the charge as there is no other available source.

No. 167. ORDER THEREON, 14th December 1878, No. 4,764 W.

THE estimate of Rupees 98 for a verandah to the Police Superintendent's Office at Vizagapatam is sanctioned, as well as the transfer proposed in paragraph 3 of the foregoing letter.

2. This sanction has been registered as Provincial No. 166 B of 1878-79.
