No. 170. Endorsement of the Additional Secretary to Government, Revenue (Famine) Department, dated Fort St. George, 6th December 1878.

From Major K. A. JOFF, R.E., in charge Bellary-Hubli State Railway, to the Consulting Engineer for Railways, dated Bellary, 28th November 1878, No. 697.

I HAVE the honor to represent that Mr. Sub-Engineer Hardy, whose services were replaced at the disposal of the Government of India in Government Notification dated 25th November, now informs me that by a Government of India Resolution his services (which were temporary only) were to be dispensed with as soon as the Madras Government had no further need of them.

2. Mr. Hardy represents that he has served the Madras Government for over one year, and that under ordinary circumstances he would be entitled, subject to the prescribed conditions, to one month's privilege leave after eleven months' service.

3. I have the honor to inquire generally whether the Madras Government will grant such privilege leave to officers from other Provinces who may have served under that Government, to which they would have been entitled after continuous service in their own Provinces; and in Mr. Hardy's particular case (being that of an official who has no appointment to join after returning from privilege leave) whether Government will likewise grant the boon to him.
