GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

17th December 1878, No. 4,776 W.

General.
Account.

Read the following paper :—

No. 179. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 4th December 1878, No. 425.

With reference to paragraph 8 of my letter, No. 318, of the 27th ultimo, I have the honor to report that I have inspected the late Tanjore Range Office and find it in a most dilapidated condition, the roof unsafe and likely to fall in.

2. The main walls are constructed almost entirely of raw bricks, the doors and windows are old and rotten, and the building is not worth repair. It will, therefore, be necessary to rebuild the whole structure.

3. Captain Brockman reports that the cost of a building in accordance with the design circulated with the Chief Engineer's Circular, No. 262, of the 8th March 1875, would be Rupees 3,300.

4. Please inform me whether an estimate should be submitted for sanction.

5. The office stands in a good piece of Government ground in a most convenient site, and I should say it would be worth while to build a new office for the Executive Engineer. Till this is done, I request the favor of sanction to the continued rent of the late District Engineer's Office.

No. 180. ORDER THEREON, 17th December 1878, No. 4,776 W.

THE sanction requested in the Acting Superintending Engineer's last paragraph is accorded. He will submit a regular estimate for rebuilding the old office.

To,
Colonel C. A. Hoord R.E.
Chief Engineer D. S. M.
Madras

Sir,

With reference to para
8 of my letter N^o 318 of the 27th
ultimo, I have the honor to report
that I have inspected the late
Tanjore Range Office and find
it in a most dilapidated condition,
the roof unsafe and likely to fall in.
The main walls are con-
structed almost entirely of raw brick,
the doors and windows are old and
rotten and the building is not worth
repair. It will therefore be necessary

sent to Insp.
office this day.
