GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

19th December 1878, No. 4,808 W.

General.
Establishment.

Read the following paper:—

No. 211. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 16th December 1878, No. 407 W.

With reference to G.O., No. 4,537 W, dated 27th November 1878, which advises me of the practical cessation of the expenditure on famine relief works, I have the honor to suggest that the Government of India be advised that the services of Mr. H. J. R. DeSalis, Assistant Examiner, temporarily deputed to this Presidency in connection with the famine accounts, are now available for employment elsewhere.

2. I may mention that although Mr. DeSalis was deputed to this Presidency for famine relief work the actual accounts and general business in connection with the famine, owing to their important nature, had to be placed under the direct charge of the Senior Deputy Examiner, Lieutenant F. Beauclerk, R.E., Mr. DeSalis being otherwise employed.

3. No inconvenience whatever in connection with the adjustment of the famine accounts would consequently be caused by the immediate transfer of Mr. DeSalis to another Presidency; and all famine relief expenditure being now at an end there appears to be no valid reason for further retaining his services, more especially in the light of the recent urgent orders for the restriction of Public Works expenditure.

4. As soon as their services can possibly be spared, I shall submit for the approval of Government proposals for the transfer to their several provinces of the foreign Accountants now temporarily deputed to this Presidency on famine duty.

No. 212. Order thereon, 19th December 1878, No. 4,808 W.

The Government of India will be advised by telegram that Mr. DeSalis' services are available for other duty.
