GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

20th December 1878, No. 4,813 W.

General.
Establishment.

Read the following paper:—

No. 216. From Major H. R. MEAD, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 13th December 1878, No. 808—64.

With reference to the list of works of public utility constructed by private individuals during the year 1877-78, published as supplement to the *Fort St. George Gazette*, of the 17th September 1878, the President, Local Fund Boards, Malabar, intimates that the name of "Pockkancheri Chundu Kutti" was inserted by mistake in the list furnished by him to the late District Engineer, Malabar, against work No. 3 in Malabar. The proper name ought to be "V. Bappu, District Munsif of Puttambi," who, it appears, is the individual who has constructed the tank at his own expense.

2. I have therefore the honor to request that the error pointed out may be rectified by substituting the latter name for the former, and the necessary correction notified in the *Gazette*.

No. 217. ORDER THEREON, 20th December 1878, No. 4,813 W.

ORDERED that the following correction be published in the *Fort St. George Gazette*:—

In the statement of works of public utility constructed by private individuals at their own cost during the year 1877-78, published as a supplement to the *Fort St. George Gazette*, of the 17th September 1878, "Pockkancheri Chundu Kutti" was entered by mistake as having built a stone well at Nagaram in the Malabar District, which was actually constructed at the cost of V. Bappu, the District Munsif of Puttambi.
