Buildings and Roads.
Civil Works.

Read the following paper:—

No. 289. From Major J. O. HASTED, R.E., Superintending Engineer, Kistna District, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Masulipatam, 15th January 1878, No. 187.

With reference to paragraph 4 of G.O., Financial Department, No. 2,859, dated 11th December 1877, communicated in G.O., No. 2,238 W, dated 27th December 1877, I have the honor to inform you that the delay in submitting estimates for Items 7, 8, and 9 in II A, Part I, Local Fund Budget for 1877-78, is in consequence of the time of officers and subordinates having been of late so much taken up with famine relief works. The allotment for No. 7 has been transferred to another work as the estimate was not ready and will be expended.

2. The estimates for Dispensaries, which are noticed as having been delayed also, are not ready in consequence of sites not having been fixed. When sites are fixed and approved these estimates can be quickly prepared.
