Pass to Dept.

With reference to the
remarks within it is
explained that the cost
of the establishment is
at present borne entirely
by Provincial funds - it
being paid from the
budget provision under
Provincial for maintenance
of the Upper Godavari Works.
A special grant was made
for these works by the
Govt of India when they
were transferred to the
control of the Madras
Govt.

The effect of the
change recommended in
the draft will be to
reduce the debt to
Provincial funds as
when charged to "Petty
Establishment", a portion of the
total to share only of pay.

I don't see how this
can be. As it may be due
the change will be at least
of 1000 Rs. per year
all establishment charges
