No. 3. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 25th January 1878, No. 133 W.

2. The Executive Officer, Calicut Division, having reported that the individuals from whom the balance is recoverable are worth nothing, and that no recovery could be made except by getting work done, Mr. Pringle was addressed on the subject and requested to obtain the sanction of Government to retain the item under Miscellaneous Advance, or to make good the amount as directed in G.O., No. 3,902, dated 15th December 1868, and No. 621 W, dated 21st August 1877.

3. Mr. Pringle's reply to the above reference is enclosed for information.
4. The orders of Government are solicited as to how the balance of Rupees 19 should be dealt with.

From E. H. PRINGLE, Esq., District Engineer, South Canara, to Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, dated Mangalore, 22nd December 1877, No. 64.

2. Numerous letters have been written to Government with regard to the impossibility of carrying out work in the Wynaad without advances being made, and with the best endeavours to recover them much money has been lost and must continue to be lost. I do not recollect the particulars of the transaction under notice, but I am certain that every possible step was taken to recover the money.

Sir, With reference to your letter
No. 86 of dated 7 December 1877, I have
the honor to point out that I was in
Special charge of Mysnad at the
time the advances were made and there-
fore did not require sanction under Rule
of the Controller's letter mentioned for
the Special Executive Engineer was allowed
the power of a District Engineer. Rule
does not seem to apply as the advances
were made for work and not on ac-
count of salary.

Numerous letters have been written to
Government with regard to the impos-
sibility of carrying out work in the
Mysnad without advances being made.
