No. 9. From Lieutenant-Colonel J. BEATTY, R.E., Superintending Engineer, Godavery District, to the Chief Engineer, Buildings and Roads, dated Camp, Dowlaishweram, 18th January 1878, No. 3,217.

I have the honor to forward herewith a plan and an estimate, amounting to Rupees 852, for renewing the sheds occupied by the establishment employed in the Dumagudiem Division office; which being now in a ruinous condition it is proposed to rebuild at new Dumagudiem.*

One Plan.
„ Estimate.

* Vide G.O., No. 1,307, of 26th May 1876.

2. I inspected these sheds when I visited Dumagudiem last month and found them in the last stage of decay. The Executive Engineer informs me that they were constructed in 1860, at Government expense, under sanction from the Chief Commissioner, Central Provinces. Quarters of a poor description were similarly provided at that time for all the establishment employed on the Upper Godavery Works, and no rent has ever been charged for them.

3. The only correspondence that is on record, on the subject of providing the establishment with quarters free of rent, is a letter from the Superintending Engineer, Upper Godavery, in March, 1865, to the Chief Commissioner, Central Provinces; in which he represented that, considering the temporary character of the buildings, the unfavorable circumstances in which Officers and Subordinates are placed in the Upper Godavery, and the greater cost of supplies than in other districts, he hoped they would not be charged rent for the poor accommodation afforded; and the Chief Commissioner, in his reply, concurred with the Superintending Engineer in the opinion that rent need not be paid.

4. I request therefore you will be good enough to obtain sanction of Government to the estimate, and place the necessary funds at my disposal from the Reserve under "Provincial," as nothing can be spared from the allotment of the year for maintenance of the Dumagudiem works.

No. 10. ORDER THEREON, 1st February 1878, No. 517 W.

The plan and estimate of Rupees 852, for renewing the sheds occupied by the establishment employed in the Dumagudiem Office, are sanctioned.

2. The requisite funds are transferred from the appropriation for the Master Attendant's house at Cocanada.

3. This sanction has been registered as Provincial No. 270 B of 1877-78.

has ever been charged for them.

3. The only correspondence that is on
record, on the subject of providing the
Establishment with quarters free of rent,
is a letter from the Superintending Engineer
Upper Godavery in March 1865, to the
Chief Commissioner Central Provinces,

the Superintending Engineer in the opi-
