GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

4th February 1878, No. 563 W.

General  
Establishment.

Read the following paper:—

No. 26. From Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to the Chief Engineer, Public Works Department, dated Tanjore, 19th January 1878, No. 95.

I HAVE the honor to inform you that Lieutenant Poulter, R.E., the officer appointed in G.O., No. 208, dated 14th February 1877, for the preparation of the water supply project connected with the Tanjore Municipality, having applied to me for the services of an experienced Draftsman for the preparation of the necessary plans and estimates, I thought it advisable to lend him the services of Govindasawmy Pillay, Draftsman of the Mantargudy Range, granting him six months' leave without pay. Observing however that Govindasawmy Pillay will lose service for pension under the Civil Pension Code for the period he has been granted leave without pay, and inasmuch as his services have been lent to Lieutenant Poulter, R.E., on public grounds, I applied to the Examiner of Public Works Accounts requesting him to inform me if the leave granted to Govindasawmy Pillay might be cancelled and his case treated under Section 37, Chapter 7, of the Civil Pension Code, which provides for the temporary transfers of Government Officers to the Municipalities without loss of service for pension on the levy of a certain amount of contribution from the salary of the officer so transferred, and that officer has replied to the effect that Govindasawmy Pillay's case may be treated as a temporary transfer to the Municipality under the section above quoted; but the orders of Government should be obtained regarding the same.

2. The six months' leave without pay granted to Govindasawmy Pillay has already expired, and Lieutenant Poulter has applied to me for the further retention of his services for a period of one year. Under these circumstances I request you will be good enough to obtain the orders of Government for the temporary transfer of Draftsman Govindasawmy Pillay to the Tanjore Municipality under Section 37 of the Civil Pension Code for a period of eighteen months, including the six months for which he was already granted leave without pay.

No. 27. ORDER THEREON, 4th February 1878, No. 563 W.

THE services of Draftsman Govindasawmy Pillay will be placed at the disposal of the Tanjore Municipality for a period of eighteen months from the date\* from which he was granted six months' leave without pay.

2. Govindasawmy Pillay will with reference to Section 38(a) of the Civil Pension Code pay a contribution of one-fifth of the salary which he may receive from the Municipality, in order that his service in the Municipality may be counted as service for pension.
