GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

4th February 1878, No. 584 W.

General.
Establishment.*

Read the following papers:—

No. 32. From Major J. O. HASTED, R.E., Superintending Engineer, Kistna, to the Chief Engineer, Public Works Department, dated Masulipatam, 1st October 1877, No. 113.

I HAVE the honor to subjoin copy of my memorandum, No. 1,104, dated 25th ultimo, to the Officer in charge of Bapatla Division, directing the dismissal of Mr. T. J. Kelly, Taluq Overseer (lately promoted from 3rd to 2nd Grade) for intoxication and misconduct. *Vide Fort St. George Gazette* of 4th September 1877, page 1,099.

2. I am anxious to fill the vacancy thus caused by appointing T. Raghavoolu Naidoo, passed 2nd-class Draftsman, 3rd Grade Overseer. On two previous occasions I recommended his appointment, but it was not allowed, and he was reduced from Rupees 100 per mensem as Acting Anicut Superintendent, to Rupees 40, as Draftsman, because he had not passed the Uncovenanted Civil Service Examination. The case is a hard one, as natives of his age (35) are rarely able to study so as to pass examinations, and from his experience in the Department he is better fitted for Overseer's work than many who have passed the prescribed examinations. When a man was wanted as temporary Overseer for Famine Relief Works I at once selected Raghavoolu Naidoo, and he has, as I expected, worked hard and done very well. As a reward for his exertions I venture to ask permission to appoint him 3rd Grade Overseer.

No. 32-A. From the same Officer, dated Masulipatam, 14th January 1878, No. 183.

I HAVE the honor to call attention to paragraph 2 of my letter No. 113, dated 1st October last, and as Famine Relief Works are likely to be put a stop to shortly, and there is a vacancy among the Overseers of this district, to request to be informed if the appointment of T. Raghavoolu Naidoo as Overseer will be sanctioned.

2. T. Raghavoolu Naidoo has continued to work well, and to give satisfaction as temporary Overseer on Famine Relief Works.

No. 33. ORDER THEREON, 4th February 1878, No. 584 W.

THE orders of the 14th April 1874, No. 972, must be maintained. T. Raghavoolu Naidoo already draws Rupees 40, which is more than it is intended to allow unpassed candidates. Exceptions are moreover unfair to men who have fully qualified, and it is not alleged that none such are available.

Memorandum No 1104.

Lieut C. V. Boddy R.E. has forwarded to the Superintending Engineer, a report by Mr R. P. Atkinson, Assistant Engineer, on Famine Overseer Mr J. Kelly, employed on Famine Relief works Bapatla Division. Mr Atkinson charges the Overseer, with being under the influence of drink, and while in that state, endeavouring to tamper with the daily reports, and muster rolls. The report of the Hospital Assistant proves that Mr Kelly was under the influence of drink, but Lieut Boddy considers that the charge of tampering with the accounts, has not been proved, and that Mr Kelly was so drunk that he hardly knew what he was doing, and he further reports that Mr Kelly has given no satisfaction in performing his duties on the relief work.

2. Overseer Mr Kelly has been tried in 3 Divisions of the District, and each Divisional Officer has reported that he was lazy or useless; as a last chance of retrieving his character, he was sent to the Bezoarab Division, with orders that the Divisional Officers should report on him. No report has been received

received from the Bezawar District
Officer, but the Superintending Engineer
has reason to know that Mr Kelly
did not work satisfactorily there.
On his being sent to Famine Relief works,
he is reported drunk and as having
given no satisfaction.

3. Under these circumstances, the
Superintending Engineer is compelled
to dismiss Mr Kelly from Government
employment, from date of this order
being communicated to him.

4. Mr Kelly will draw subsistence
allowance at the rate of $\frac{1}{4}$ of his pay
for the period he was under suspen-
sion - the date on which he was suspended
should be reported.
