GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

7th February 1878, No. 625 W.

General.
Account.

Read the following papers :—

No. 57. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department,—through the Examiner of Public Works Accounts,—dated Saint Thomas' Mount, 14th December 1877, No. 3,809.

I HAVE the honor to bring to your notice that on the receipt of G.O., No. 1,546, dated 2nd June 1875, sanctioning an estimate of Rupees 680 for the repair of Pachapa Anglo-Vernacular School at Conjeveram, immediate action was taken and materials, chiefly timber to the value of Rupees 334-9-0, had been collected, when in G.O., No. 63, dated 9th August, the sanction in question was ordered to be considered as cancelled.

2. As the contractor who supplied the materials however had to be paid, the Range Officer placed himself in communication with the Trustees of the School in view to making over the materials to them in case they required them in connection with the repair of the building. After a very long delay, it was ascertained that the Trustees were not disposed to take over the materials. These it has since been arranged to utilize on certain works in the Mount Range, to which they have been transferred and charged, but only at Rupees 233 or Rupees 51-9-0 less than the original cost. This difference added to the cart-hire, Rupees 11-7-0, paid for the conveyance of the materials from Conjeveram to the Mount, amounts to Rupees 63, which is still due to the Contractor, and as the claim is a long-standing one and there is no means of adjusting it, I have the honor to recommend that sanction be granted for the payment of the above sum of Rupees 63, and that it may be ordered to be written off to "Profit and Loss."

No. 57-A. From the Examiner of Public Works Accounts, dated Chepauk, 31st January 1878, No. E. 207 C.N.

No. 58. ORDER THEREON, 7th February 1878, No. 625 W.

THE Examiner's proposal to charge the loss to the Anglo-Vernacular School-house at Conjeveram cannot be entertained, the building not being Government property as pointed out in the orders communicated with G.O., No. 63, dated 9th August 1875.

2. The amount will be charged off to the works on which the materials are to be utilized in the manner prescribed by the Government of India in their Resolution recorded with G.O., No. 1,073, dated 29th April 1876.
