GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

7th February 1878, No. 626 W.

General.

Establishment.

Read the following paper:—

No. 59. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Officiating
Superintending Engineer, North Arcot, to the Chief Engineer, Public
Works Department, dated Vellore, 31st January 1878, No. 4,180.

I HAVE the honor to report with reference to G.O., No. 244 W, of the 15th January 1878, that the Wallajah Range Officer has entertained two Tappal Lascars since the 1st November 1877, for the reasons for which general sanction was accorded in G.O., No. 509 W, of the 31st July 1877.

2. Objection is now raised by the Examiner of Public Works Accounts to the charge for November; and by the recent Order No. 244 W, the special sanction of the Government is required.

3. The reasons for the entertainment of the two Tappal Lascars still hold good, and I beg that they may be sanctioned for such time as the pressure of famine business may continue to be felt. It is difficult to fix an exact date, for there is not yet a steady diminution in the number of people on the relief works. There was a considerable sudden fall in the numbers for the week ending 19th January (nearly 10,000 less daily), but in the subsequent week there has been again a slight rise.

No. 60. ORDER THEREON, 7th February 1878, No. 626 W.

SANCTIONED, with effect to the end of March; before which date the District Engineer will report whether he requires the sanction extended.

2. This sanction has been registered as Provincial No. 77 W of 1877-78.
