Account.

Read the following paper:—

No. 85. From Lieutenant-Colonel J. BEATTY, R.E., Superintending Engineer, Godavery District, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 28th January 1878, No. 3,369.

I HAVE the honor to inform you that the Executive Engineer in charge, Eastern Delta Division, has brought to my notice that in the list of small stores received from the Upper Godavery with reference to your Circular No. 661 of 5th November 1875, screw bolts and nuts are entered at 4 Annas per lb., and that this rate is nearly double that obtaining in the Workshops, which therefore cannot afford to take them; but if the Workshops be allowed to take them at 2 Annas per lb., it will gradually utilize most of them.

2. The screw bolts and nuts are 2,000 in number, and I request you will be good enough to obtain the sanction of Government to the Workshops taking them at the rate of 2 Annas per lb., as suggested by Mr. Walch.
