GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

9th February 1878, No. 704 W.

General
Establishment.

Read the following paper :—

No. 95. Endorsement of the District Engineer, Presidency, dated 4th February 1878, No. 6,190.

From Captain S. C. CLARKE, R.E., Executive Engineer, Junction Canal Works, Madras, to the District Engineer, Presidency, dated 2nd February 1878.

I HAVE the honor to request you will be good enough to forward this my application to be permitted, as soon as the Junction Canal Works are completed, to join the Railway Department in the North-western Provinces or Bengal, should the services of an Executive Engineer be required, for any of the newly projected lines of railway, in that part of India for railway work in execution.

2. It has always been my great desire to join that particular branch of the Public Works Department, and it has occurred to me that on the completion of my work here, when I shall virtually be out of employ, my transfer to the north would cause less inconvenience and would not affect the interests of the Madras Government. I trust therefore that my claims may be taken into consideration, for I may say my position here is a peculiar and an anomalous one.

SUBMITTED to the Chief Engineer, Public Works Department.

(Signed) ROSS THOMPSON, Major, R.E.,
District Engineer, Presidency.

No. 96. ORDER THEREON, 9th February 1878, No. 704 W.

HIS GRACE the Governor in Council will have no objection to the transfer of Captain Clarke's services so soon as the special work on which he is now employed shall have been completed, the plans and estimates prepared in detail, and the accounts adjusted.

2. The application will meanwhile be forwarded to the Government of India.
