No. 245. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department, dated St. Thomas' Mount, 9th February 1878, No. 581.

In reference to G.O., No. 587 W, dated 6th instant, I have the honor to inform you that on the receipt of G.O., (Revenue Department,) No. 2,844, dated 21st November 1877, laying down the procedure to be adopted in valuing work executed under famine relief, instructions were issued to the several Range Officers to proceed accordingly with the valuation of the works in question and the submission of completion certificates for them without delay. And the subsequent G.O., No. 2,083 W, dated 13th December 1877, on the subject, was also duly communicated to them with necessary instructions.

2. On the 17th December 1877, the Collector furnished me, in reference to paragraph 7 of the Government Order first quoted above, with lists of works executed under civil agency in the Trivellore, Sydapett, Chingleput, Conjeveram, and Madrantakam taluqs, and again on the 5th January 1878 with further lists for the above taluqs, and on the 18th of the same month with lists for the Sydapett and Ponery taluqs. These lists as they were received from the Revenue Department were, without delay, transmitted for attention and disposal to the Range Officers with necessary instructions and with request for the early submission of the required completion certificates, and the Range Officers of Range Nos. 2 and 3 are no doubt giving their earnest attention to the matter. Lieutenant Wifen, of Range No. 1, is now on the sick list. A report has now been called for from them of the progress made in the valuation of works and of the amount for which completion certificates have been prepared by them since the receipt of G.O., No. 2,844, of 21st November 1877, and the information when received will be duly submitted to you.
