No. 316. Proceedings of Government, dated 28th February 1878, No. 998 W.

THE question of the future position of the Regiment of Native Infantry now stationed at Vepery being under consideration of Government, it is desirable that the further acquisition of land at Poodoopett for the construction of lines be deferred. The District Engineer, Presidency, will therefore arrange that no more land is taken up until the final decision of Government is declared.
